## Stonewood Select Designs

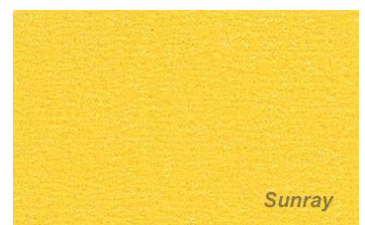

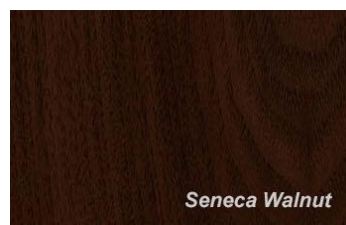

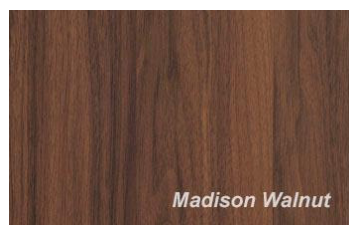

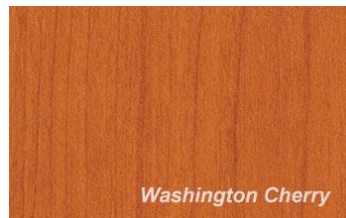

### *Current Trends, Competitive Pricing, Attractive Lead Times*

Listening, Evolving, Changing...At Stonewood we listen to our customers and constantly update our Design Offering to suit the fast-paced demands of the market. With this in mind, we have expanded our Select Design Offering, adding popular new colors and competitive pricing.

### *Enhanced Select Design Options*

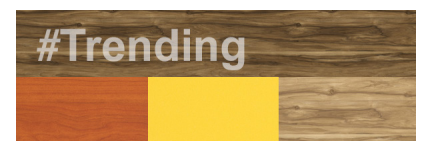

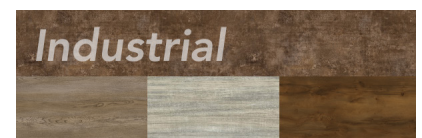

Stonewood Select has been expanded to include the **Top 23 designs** divided into four 'Trends'.

**#Trending**, the newest Trend, features eleven new designs for today's progressive market.

### *Stonewood Select Trends | Popular, Stylish, Refreshing*

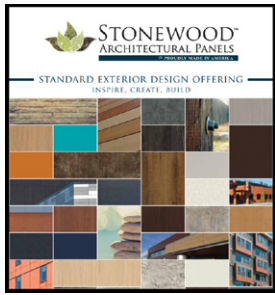

The palette to breathe life into your vision

**Visit [Stonewoodpanels.com](http://Stonewoodpanels.com), contact a Local Representative or call 262-567-4427**

Fibersin Industries Inc | 37031 E. Wisconsin Avenue | P.O. Box 88 | Oconomowoc | WI | 53066

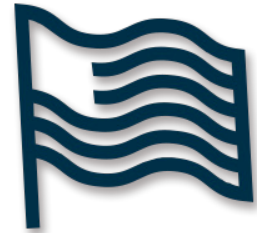

## Competitive Pricing

We believe everyone should benefit from market-based competitive pricing. By choosing a design from our expanded Stonewood Select Offering, you secure high-volume discounted pricing even with a lower-volume order.

## Discover Our Virtual Design Offering

You can explore our designs through an interactive design offering that allows you to search, download, and order samples--all while browsing!

**Made in America**

## Domestic Production Offers Flexibility

All Stonewood panels are Made in the USA, giving us the freedom to choose the most current trends and styles that fit in today's progressive market.

# Project Spotlight: Northgate Transit Center

Over 25,000 sq. ft. of Stonewood Architectural Panels adorn the Northgate Transfer Center in El Paso, TX. The mixed-use project converges multiple spaces, each with its own Stonewood panel design
